Bettors on Clark Get No Run for Their Money at Linden.

Trainer, Dumas Thought the Horse Was Scratched.

Lampighter's Very Poor Showing at Hawthorne.

Clark, a two-year-old, was supposed to be a starter in the fifth race at Linden yesterday. His name was posted on the jockey board, and the books laid a price against him in the ring. This was supposed to be a guarantee by the Association that the colt was a starter. When the bugle sounded, all the horses in the race, save Clark, responded. Ten minutes were wasted in a vain search for the colt. His owner could not find a trace of the horse, trainer or jockey.

This was the funny part of the affair. To those who had bet their good money on Clark the view was not so humorous. They got no run for their money. Later the trainer of Clark turned up and said that the colt had been scratched early in the day. If the trainer's statement be true, then the bettors who backed Clark are certainly entitled to a rebate from the Association. Even if the colt was not scratched, his non-appearance at the post would entitle the bettors of Clark to have their money refunded.

There is an absurd rule, which reads as follows: "If a horse is scratched after the horses starting for a race have been exhibited officially (on the jockey-board) all his bets shall be refunded to the management." On a motion to buy the property of Clark, the members voted not to do so, 20 to 21.

A. C. will devote itself hereafter to pushing things on the proposed new house at Fifty-ninth street and Sixth avenue. All sorts of reasons were offered why the Manhattan property should not have been purchased.

The Intercollegiate Football Association will meet to-day at the Hotel Windsor Hotel, and the eligibility of players will be extensively discussed.

Phil King and Big Centre Ballet. Princeton men will work like Trojans to get the rule, thus throwing out the degrades rule settled one way or the other.

Harvard's game with Cornell in this city will be the first time since 1887. The game will be played at Manhattan.

McCrea and Sullivan, of Yale, are off the team for unsatisfactory playing.

On Election Day the New York A. C. will have a paper-chase at Travers Island. The four-mile course is a hard one, and the pace will be slow enough to permit the older members to be in it for a while.

J. B. Johnson and Emmett Burke, both colored, fought at the Gloucester (N. J.) A. C. Monday night, and Burke, who was the favorite, won by a knock-out.

Harold, the sire of Maud S., died at the Woodbury Farm, near New York, yesterday. He was twenty-nine years old, and had thirty-four trotters in the 2.30 list.

Fred Tatal received a telegram from Mr. Welsbach that the big match race will be run on Saturday instead of Monday. Tatal and McGee will leave for the Windy City to-night.

Charley Cox bet on Foxhound all three ways, getting 20 to 1 for his money. When the colt won, Charley let out a yell that would put a pile of bull-pup to shame.

The book students are turning gray trying to get a line on Terrier.

Roy Lochiel simply ran Wah Jim off his feet in the last race yesterday. The Chinaman never had a chance after seeing the first few laps.

Matt Brown has given Willie Midgley permission to go to California to ride this winter. Midgley is taking on weight rapidly.

It is said that Col. Fleischman will soon turn all his horses over to T. Tucker. Bob Souly, who now handles the string, may have to hustle for another job.
